28.43 M (93'3") | CUsTOM LINE | 2026

# WELCOME ON BOARD

---

€1

Step on board the 28.43m CUSTOM LINE NAVETTA 30 and experience a yacht designed with a clear sense of balance and intention. Her wide-body, tri-deck layout offers an impressive sense of space for her size, with 199 GT of volume and a 7.31m beam that translates into generous, open living areas throughout. Penned by Filippo Salvetti, her exterior lines strike a rare balance - elegant and timeless, yet unmistakably modern.

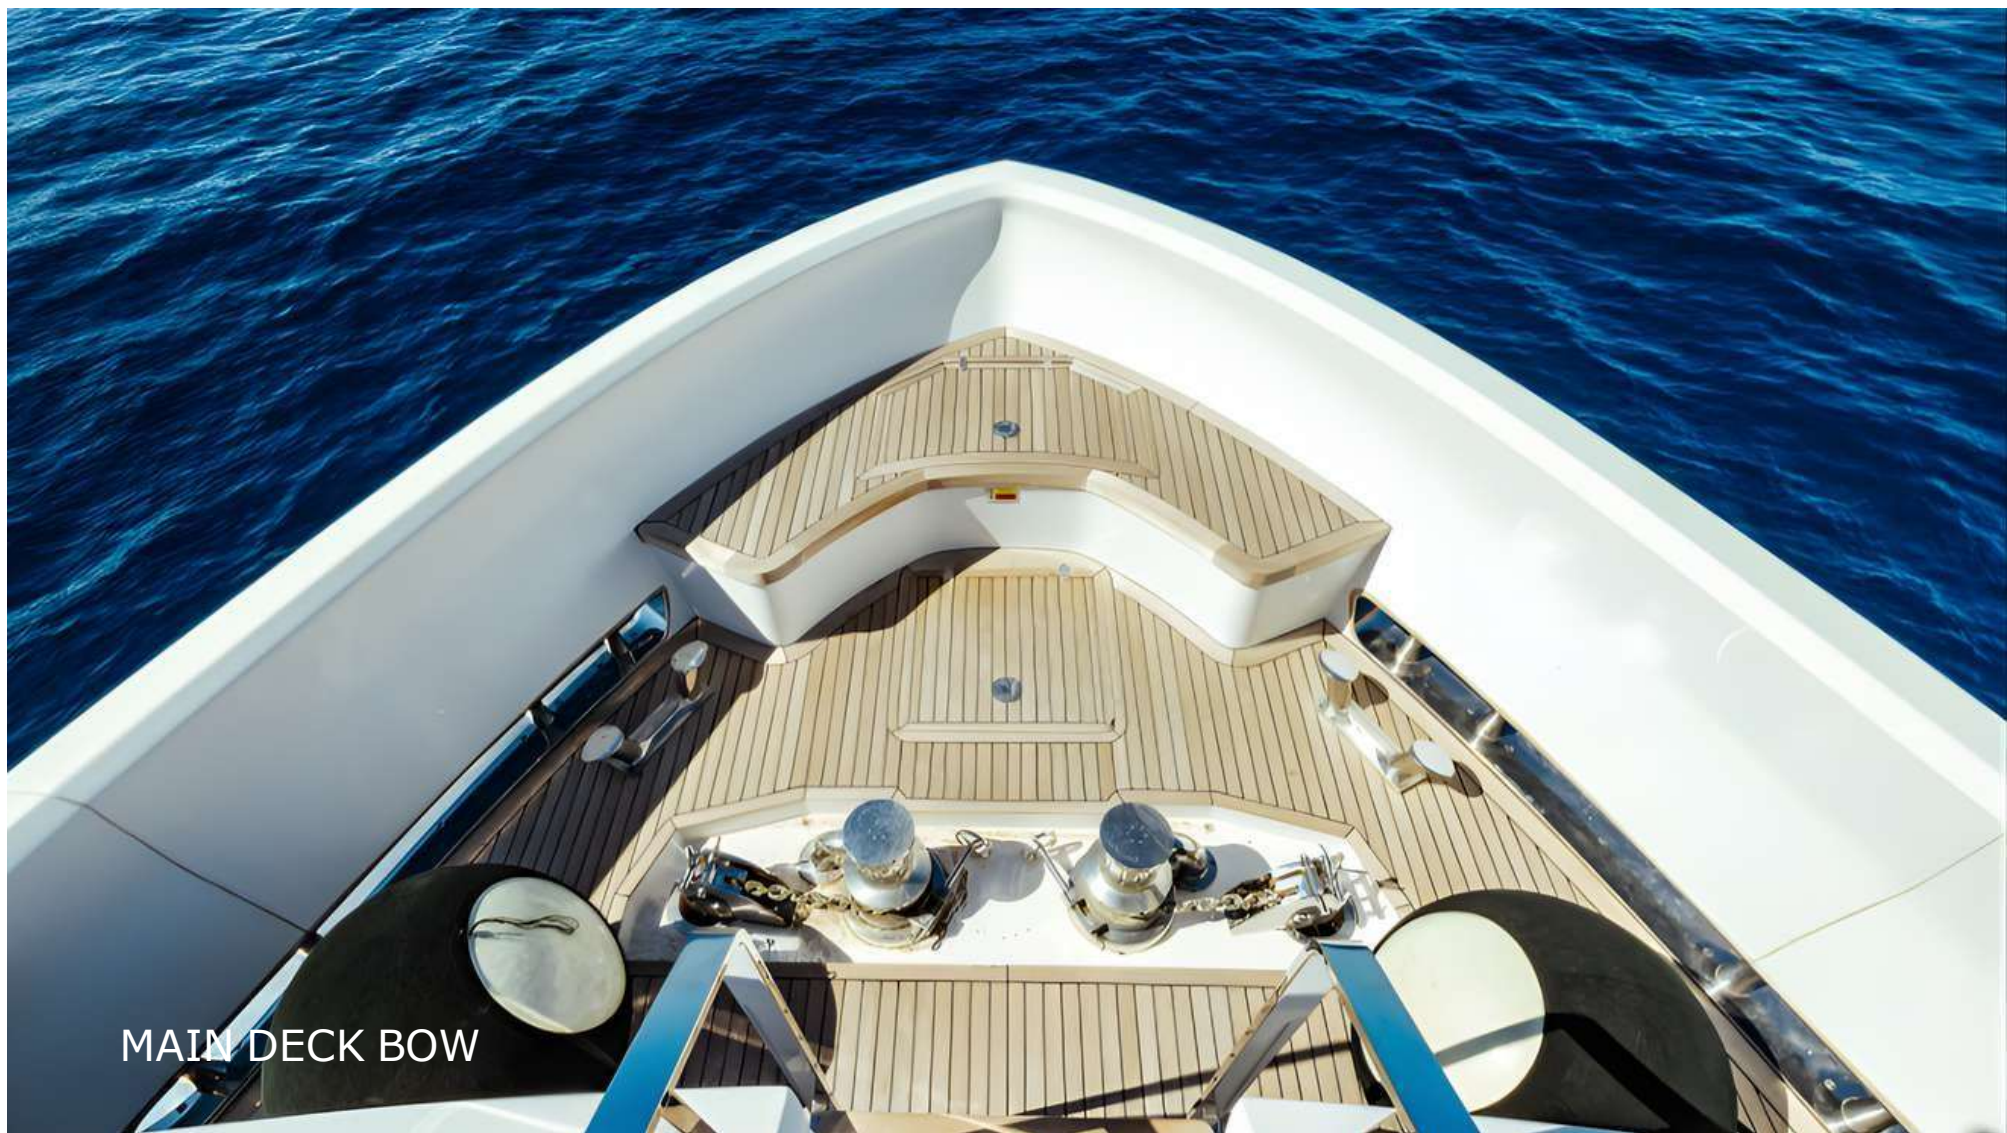

MAIN DECK AFT

Floor-to-ceiling windows and expansive outdoor areas create a constant connection to the sea, while the sundeck and multiple lounging spaces are designed for long, unhurried days on board. Built for true cruising offering up to 2,000 nautical miles at 10 knots.

# INTERIORS

---

Inside, the atmosphere is calm, refined, and thoughtfully detailed without ever feeling overdone. Designed by Antonio Citterio and Patricia Viel, the interiors move away from traditional yacht styling, introducing a softer, more contemporary approach that still respects classic nautical elements.

Natural materials like teak and leather are paired with subtle carbon accents, textured finishes, and a fresh palette that brings depth without heaviness. Large windows and over two metres of headroom enhance the sense of openness, while the layout itself has been carefully considered to ensure a seamless flow between indoor and outdoor living. It's a space designed for effortless, comfortable living on board.
